	0059486	421718
	0059488	26683
	0059496	420150

don't want to repeat the the M row when it have more than one for nota, it show because there are M row in both table

I want to display as below

M	NOTA
0054064	26163
0056212	422100
	112388
0059444	421361
	056925
	056936
	056945
